

## Camp Active Summer 2017 Important information

**Dates:**  
**June 5– August 25, 2017**  
(we will not offer camp July 3-4)

**Camp Times:**  
**8am– 4pm**  
**extended care until 6pm**

**Camp Costs:**  
**\$40/day or \$175/week**  
Extended care is available  
from 4p-6p for \$10/student

### **Alamo Junior Summer 2017**

Have a preschooler with too much energy?  
Alamo Junior is a half day camp option for  
ages 4-5. This is a great way to ease the  
transition and prepare for organized  
classroom structure while still getting in some  
much needed play time!

**\$30 per day or \$125/week**  
**Alamo Junior runs from 8:30am-1:30pm**  
(No extended care will be available)

Alamo Junior is combined with our full day 4-5  
year old group. Our activities will include free  
play, and organized games in both gyms, ex-  
ploration centers, themed crafts, and lunch-  
time (parents provided). Instead of swimming  
with Camp Active during this time we will fo-  
cus on fun, classroom etiquette, and burning  
energy!

## Camp Active Summer 2017

Alamo Gymnastics  
and Family Fitness Center

Join us all Summer long for Camp  
Active 2017.

At Camp Active we believe that  
summer is meant to be spent  
playing. We will spend hours daily  
in both of our state of the art  
gymnastics facilities, swimming,  
and enjoying some fun in the sun.

Each week Camp Active has a  
new theme featuring exciting  
games and activities to bring it to  
life, keeping the campers guessing  
and wanting to join in for more!

Your children won't want to miss  
out on the excitement we have in  
store for Summer '17.

## 12 weeks of summer 2017

### Amazing Race: Summer Kickoff!

June 5-9

Your child will get a jump on the fun by joining Camp Active from the starting line. We will kick off summer by racing around the world all week long.

Teams will work together and make their way through detours and road blocks to reach each days pit stop. Friday will be the biggest race yet to see which groups will make it to the final stop. Don't miss out on the exciting race to the finish!

### Spy week

June 12-16

Calling all secret agents! Campers tap into their inner investigator to help solve Camp Active's mystery challenge! Campers will travel through web mazes, search through mystery boxes, and stomp out villains. Our head detectives will assist in a mystery scavenger hunt leading to a top secret location.

### Summer Safari

June 19-23

This week, Camp Active will be traveling south, to the jungle. Campers will be working together to cross flooded rivers, while enjoying an animal themed relay race. Along with the entertaining games and engaging crafts we will be learning the value of the rain forests and how conservation helps to our planet, Earth.

### Summer of Sports

June 26-30

The first month of summer ends with Alamo's summer sports week. Continuing the celebration of summer, campers will participate in summer sports including: volleyball, baseball, tug of war, bubble wars, water balloon dodge ball, and more. Each day, games will be chosen by the campers to ensure everyone creates lasting memories full of laughs.

## 12 week of themed action packed

### Beautiful Outdoors

July 3-7 (closed July 3-4)

To honor our nation's Independence Day, we at Camp Active come together to enjoy the great outdoors! Beautiful Outdoors week includes camping and gardening activities along with scavenger hunts, animal tracking, Independence Day celebrations, and more! Your children won't want to miss out on the celebrations ahead.

Please note: We will not offer camp on July 3-4, 2017.

### Exploration space

July 10-14

This week, Camp Active will be out of this world! Campers will squirm their way thru worm holes, avoid the asteroids on the space plank, burn energy with cosmos dodge ball, find the missing counselor on an alien hunt, and help return Saturn's rings. The week finishes off with a solar system relay race. You wouldn't want to miss all the interstellar fun!

### Team Sports Fun-week

July 17-21

What kid doesn't love to play? This week will be rocking with free play and organized games in both of our gym facilities. Team Sports Week will feature sports such as soccer, capture the flag, and table tennis. With a new game each day and prizes for everyone, it's sure to keep your camper pumped up.

### Adventureland

July 24-28

Your imagination is the only limit for Adventureland Week at Camp Active! Camp Active will transform its classrooms into different worlds. We will explore our students' imagination and what the future will look like. We will also travel into the jungles, and explore Underland with Alice and the rabbit. On Friday, campers will journey thru cities to find the lost treasures of Camp Active!

## Camp Active Fun!

### Race around the world

July 31– August 4

August will start out with a mix of entertainment, adventure, and education as Camp Active travels around the world in search of one thing: the perfect game for kids! We will be experiencing the games played by children in China, Egypt, Canada, the United Kingdom, and Australia. Come along for the cultural excursion and learn about how children play around the world!

### Jr. Mad Scientists (STEM week)

August 7-11

This week Camp Active will be an interactive scientific adventure for everyone! From Ghostbusters slime, bubble snakes, to moon sand, all will want to come back for more! Through hands on exploration, we will learn about the inventors who have changed history. Our wonderful science week will close with our Summer STEM Olympics!

### Superheroes

August 14-18

In Camp Active's second to last week, campers will get in touch with their inner superhero! Camp Active will rock out the week with strength building, super-photo shoots, cape and mask making, and other challenges. Our superhero training camp will help our campers understand the most important power of all... Friendship!

### Beach Week

August 21-25

For the final week of Camp Active Summer Camp, we will be traveling deep under the sea to explore one of Earth's last frontiers! Campers will limbo and Hula dance their way towards the depths of the blue, and discover creatures rarely seen. Friday will include a summer celebration carnival. The week will include beach ball soccer, a refreshing round of water piñata, and an intense pirate map treasure hunt to discover the mystery lost in the deep!
